Policy: #1024 – Director Absences and Filling a Vacancy

SCOPE OF POLICY: Board of Directors

RESPONSIBILITY: Board of Directors, Board President

I. Policy:

- A. Vacancy. Pursuant to Neb. Rev. Stat §70-615, a vacancy on the board of directors shall exist in the event of the (a) removal from the chartered area of any director, (b) removal from the subdivision from which such director was elected except as otherwise provided in subsection (2) or (3) of section 70-612, (c) elimination or detachment from the chartered area of the territory in which a director or directors reside, or (d) expiration of the term of office of a director AND failure to elect a director to fill such office at the preceding general election. After notice and hearing, a vacancy shall also exist in the event of the absence of any director from more than two consecutive regular meetings of the board, unless such absences are excused by a majority of the remaining board members.
- B. Absences. This policy shall determine when, for purposes of Section A above, an absence occurs, which may become the basis of a vacancy.

II. Procedure

A. Director Absences

1. If a director expects to be absent from a future board meeting, the director is encouraged, but not required, to give notice in advance so that whether or not to excuse absence can be considered at the earliest possible time. At the board meeting when the director is absent, the board in its discretion may excuse the absence at that time or may defer the matter for later consideration by a majority vote of the board.
2. If the absence of a director is not ruled to be excused at or before the meeting when it occurs, the absence from the meeting shall be recorded in the minutes as unexcused, subject to further review.
3. Mailing to any director of minutes of a previous board meeting showing the absence of the director as unexcused shall serve as notice to the director that the absence stands unexcused. The director receiving the notice may ask that the absence be placed on the agenda for consideration at a later meeting, but failure to do so shall not waive the right of the director to raise the question upon notice and hearing as provided for in paragraph 5.
4. If any director shall be absent for more than two consecutive regular board meetings for which an excused absence has not been recorded, the secretary of the district (or the president, if the director in question is the secretary) shall cause a notice to be sent to the director in question, at the director's last known address, by certified mail, return receipt requested. The notice shall be conclusively presumed to be received by the director three business days after the mailing of the notice. Sending of the notice may be delegated to the manager or other administrative employee of the District. The notice shall be addressed to the director in question and shall specify a hearing date, time and place. The hearing date shall be at least 20 days after the notice is mailed and

will, unless a special meeting is lawfully called, take place during a regular meeting of the board of directors.

5. A hearing shall be held at the time and place specified in the notice, unless lawfully continued or adjourned. Formal rules of evidence will not be followed, and the minutes of previous meetings may be received as prima facie evidence. The president (or vice-president if the president is the director in question) may serve as hearing officer or appoint a hearing officer. The hearing officer shall admit and give effect to all relevant testimony and evidence presented that possesses probative value commonly accepted by reasonably prudent persons in the conduct of their affairs. After such hearing and based solely on the evidence and arguments there produced, the remaining members of the board of directors shall vote as to whether the director in question was absent from more than two consecutive regular meetings of the board and whether such absences should be excused. If a majority of the remaining board members shall determine that the director in question was absent from more than two consecutive regular meetings of the board and that such absences are not excused, a vacancy shall thereupon exist for the board position of the director in question.
- B. When a vacancy exists, whether created pursuant to Neb. Rev. Stat. §70-615 or otherwise, on the Board of Directors, the board as a whole may choose to conduct the appointment process:
1. Advertise the vacancy through the newsletter, newspapers with general circulation within the district; and through other means such as social media.
 2. Interested candidates will submit a cover letter, resume and complete the Elkhorn Rural Public Power District Board of Directors Application Form (attached) and the Manager and President will determine if the candidates qualify for the position.
 3. Qualified candidates will be interviewed at a regular board meeting or special board meeting depending on time constraints and number of candidates
 4. The board as a whole will choose the best candidate and make the appointment.
- C. When a vacancy exists, whether created pursuant to Neb. Rev. Stat. §70-615 or otherwise, the board of directors may allow the vacancy to be filled by election. In such event, the secretary of the District shall give notice to the public by publishing the notice of vacancy, length of term, and the deadline for filing, once in a newspaper or newspapers of general circulation within the District.
- D. The appointment duration of all vacancies shall be in accordance with Neb. Rev. Stat. §70-615.
