Policy: #1070 – Safety

SCOPE OF POLICY: Board of Directors

RESPONSIBILITY: Board of Directors, General Manager

I. Policy

The purpose of this policy is to assist in the protection of human life from injury and death and in the conservation of property belonging to the District and others from accidental damage or destruction.

II. Procedure

It is hereby established that the Board of Directors will receive a monthly safety report from the General Manager or his representative and that the minutes of the Board of Directors meeting will reflect that a safety report was made. This report shall include, but not be limited to, the accidents occurring during the period following the last report, the loss prevention activities engaged in by the District and the activities of the safety operating committee.

The District may be members of the Nebraska Safety Council; NRECA; and the NREA Job Training & Safety program, and other value-added organizations that promote safety that the Board of Directors or management authorize.
