Policy: #1130 – Donations

SCOPE OF POLICY: Board of Directors, Customers

RESPONSIBILITY: Board of Directors

I. Policy

Elkhorn Rural Public Power District (ERPPD) supports donations through the Operation Round Up Program, which directs collected funds to the Elkhorn Rural Public Power District Community Development Fund (Fund). The Fund is governed by its own board of trustees and operates independently of ERPPD with respect to the disbursement of donations.

II. Procedure

- A. The Operation Round Up program was created to allow customers to donate by rounding up their bills to the nearest dollar. Each customer donates change so that the collective may contribute larger amounts to community projects that benefit the communities in the ERPPD chartered territory. All funds collected through the Operation Round Up program shall be directed to the Fund.
- B. All donation requests submitted to the Fund will be reviewed and approved solely by the Fund's Board of Trustees. ERPPD's Board of Directors retains no authority over the disbursement of funds held by the Fund.
- C. Donations or contributions made by ERPPD outside of the Fund shall be limited solely to those directly related to ERPPD business and shall require prior approval by ERPPD's Board of Directors.
