Policy: #1170 – Organizational Memberships

SCOPE OF POLICY: Board of Directors

RESPONSIBILITY: Board of Directors, Management

I. Policy

Management shall have the authority to explore electric utility industry related organization and membership associations that could be beneficial to Elkhorn Rural Public Power District.

II. Procedure

For a new and/or non-budgeted organization or association, with a membership fee that is less than \$1,000 per year, Management shall have the sole authority to join. However, if the membership fee is greater than \$1,000 per year, Management shall present the benefits of joining the organization or association for Board of Director approval.
