

**ELKHORN RURAL PUBLIC POWER DISTRICT**

**POLICY #3010**

**CONTRACT LENGTH FOR ELECTRICAL SERVICE**

A minimum of 3 years contract for all new electrical services, except that a 1-year contract may be utilized for idle services that are reconnected where no additional poles or wire are required. At the discretion of the General Manager, the 3-year minimum contract may be waived for services expected to be in place for less than three years, but only if all installation and retirement costs are fully collected prior to the installation.
