

Policy: 3030– Reconnection Policy for Irrigation and Center Pivot Services

SCOPE OF POLICY: Customers

RESPONSIBILITY: Management, Employees

I. Policy

Irrigation and Center Pivot services that have been disconnected for any reason are subject to the following:

II. Procedure

A. Disconnected for non-payment

- a. Services disconnected for non-payment of any past due charges shall be required to pay:
 - i. All amounts due for past due charges including fees and interest.
 - ii. Advance payment of estimated total annual billing for the next two years.
 - iii. Service will be subject to removal twelve (12) months after the service has been disconnected.

B. Disconnected for non-compliance or safety reasons

- a. Services disconnected for non-compliance or safety reasons shall be subject to the following:
 - i. Payment of all fees in effect at time of reconnect.
 - ii. If compliance or safety issues are not corrected within twelve (12) months of the disconnect date, the service will be subject to removal.
