Policy: #3310 – Line Move

SCOPE OF POLICY: Customers

RESPONSIBILITY: Management

I. Policy

Elkhorn Rural Public Power District may consider customer requests to move existing line.

II. Procedure

The relocation of electric transmission or distribution lines requested by a customer will be subject to the following:

1. Feasibility of the relocation will be assessed by management.
2. An estimate of all non-betterment costs (as determined within the sole discretion of the district) will be completed. The payment of the estimate must be paid, and easements obtained prior to starting the work.
