

ELKHORN RURAL PUBLIC POWER DISTRICT**POLICY #3340****PURCHASING OF MATERIAL AND EQUIPMENT**

It shall be the responsibility of the Management to purchase all construction materials, equipment, and plant for the Elkhorn Rural Public Power District.

Construction contracts, items covered by the Nebraska State Statutes, or any single items costing in excess of \$150,000 with the exception of replacement equipment and materials, will be proposed by Management to the Board of Directors for acceptance and authorization to purchase or contract said items.

Replacement equipment will be the responsibility of Management and bids or quotes will be taken when deemed necessary.

The Manager may delegate a person or persons to purchase office supplies, repairs, line construction materials or anything incidental to the electric utility daily operations.
