*******IMPORTANT NOTICE*******

NAME changes on irrigation accounts received after **April 1st** will be subject to a **\$150 service fee**.

One (1) **RATE** change will be allowed after **April 1st**, but any subsequent rate change will be subject to a **\$150 service fee**.

If you are no longer responsible for the irrigation service(s) it is important for you to notify the office of any change in ownership and/or parties responsible for payment.

Your assistance in keeping our records up to date allows us to provide better service in the case of outages, etc. These fees are intended to help defray the cost of changes.

Thank you for your cooperation!
