The above rates are subject to the Gross Revenue Tax, Lease Payment, and Sales Tax as applicable.

Gross Revenue Tax is paid to the County.

Lease Payment is paid to the Village or City.

Sales Tax is paid to the State and/or Village or City.

MINIMUM BILL: Facilities Charge

TERMS OF PAYMENT: Bills are due and payable upon receipt and delinquent if not paid by due date.

POWER FACTOR ADJUSTMENT: The rates set forth in this schedule are based on the maintenance by the customer of a power factor of not less than ninety percent (90%) at all times. If it is determined by test that the power factor at the time of the customer's peak load is less than ninety percent (90%), the District, at its option, may correct the power factor of the customer's load at the expense of the customer.

FLUCTUATING LOADS: Customers operating equipment having a highly fluctuating or large instantaneous demand, such as welders and x-ray machines, shall be required to pay all nonbetterment costs of isolating the load from the balance of the District's system so that the load will not unduly interfere with service on the District's lines. In addition, customers who fail to provide adequate corrective equipment shall be required to own and maintain their own transformers.
